

SAHAL MUHAMMED CN

FLUTTER DEVELOPER | AI PROMPT ENGINEER | WEB DEVELOPER

PROFILE SUMMARY

Flutter Developer with hands-on experience and internship at Tomercon Developers. Skilled in Flutter, Dart, Firebase integration, and UI/UX design. Certified by Dubai Future Foundation's "One Million Prompters" program, an AI prompt engineering initiative focused on practical AI skills. Ready to contribute to innovative mobile app development teams.

INTERNSHIP EXPERIENCE

Tomercon Developers

Flutter Developer Intern

April 2025 – September 2025

- Developed and maintained Flutter-based mobile applications, improving user engagement and functionality.
- Collaborated with senior developers to implement features, fix bugs, and optimize app performance.
- Gained experience in Firebase integration, state management, and RESTful APIs within Flutter apps.

TRAINING

HACA(formerly Haris & Co. Academy)

Flutter Developer Trainee

july 2024 – december 2024

- Completed a 6-month specialized training program in Flutter and Dart for mobile application development.
- Gained hands-on experience building cross-platform apps with Flutter framework.
- Developed a Student Management System app as a final project (Jan 2025 – Feb 2025), integrating database management and UI/UX features.

PROJECTS

- Techfolio – An app that helps organizations manage student programs, events, and initiatives efficiently.
- Everly – A combined dating and matrimonial app designed to support diverse relationship goals.
